REGULATIONS FOR THE REMOVAL OF TIMBER IN DOMINION PARKS.

The removal of timber in the Dominion Parks shall be governed as follows:—

PERMITS.

1. Permits for the cutting of dead or fallen timber may be granted by the Superintendent of any Park hereinafter called the Superintendent subject to the conditions herein contained:—

2. Such permits shall be issued subject to the following conditions:

- (a.) The permittee shall cut only such timber as is designated in the permit;
- (b.) The permittee shall take all merchantable material of the timber so designated;
- (c.) No roads shall be made and no green timber or young growth shall be destroyed except such as may, in the judgment of the Superintendent, to be expressed in writing, be necessary to carry out the rights granted under the permit;
- (d.) Trees shall not be cut higher than 18 inches from the ground without written permission of the Superintendent;
- (e.) The permittee shall exercise a strict and constant supervision to prevent the origin or spread of forest fires;
- (f.) The permittee shall gather into heaps suitable for burning all tops, branches and other debris resulting from operations under his permit, in accordance with the instructions of the Superintendent.

3. If required by the Superintendent, the permittee shall chain off the area granted and plant a post at each of the corners thereof, and tie it to the section lines or to some topographical features so that it may be identified in Departmental records.

4. Any breach of the regulations or conditions of the permit by the permittee, or failure to comply with any instructions consistent with the spirit of

these regulations given by the Superintendent, or other Parks' Officer shall render all permits held by the permittee liable to summary cancellation by the Superintendent in writing, and the privilege of such permittee obtaining any further permits shall be in the discretion of the Minister of the Interior, hereinafter called the Minister. In questions of dispute the decision of the Minister shall be final.

5. All permits for the cutting of timber in Dominion Parks and all rights thereunder shall be subject to these regulations and to any amendments that may be made thereto.

PERMITS.

Residents Permits.

6. A permit may be issued by any bona-fide householder in a park to cut for his own use twenty-five (25) cords of dead wood free of dues from an area limited to five (5) acres. Such permits shall not be transferable and shall be valid for a period not to exceed three months, but in no case shall it be valid beyond the 31st March next following the date of issue. Such permit shall be returned on or before the date of expiration to the office of the Superintendent with statutory declaration as to the quantities of wood cut thereunder. No person shall be granted more than one such permit during a period of any three months of any year.

7. The permittee shall be required, on the issue of such permit, to pay a fee of twenty-five (25) cents and no such permit shall be issued to any person who has not made return of all such former permits which have been issued to him.

Timber Permit granted without Competition.

8. Permits may be granted without competition to cut all the merchantable dead timber on areas not exceeding 160 acres. The permittee shall be required, on issue of such permit, to pay a fee of twenty-five (25) cents and the sum of \$7.50 to be applied as dues, as hereinafter mentioned, and no portion of such payment shall be returned whether the permittee operates or not. Remaining dues shall be paid on or before the return of the permit.

9. Such permit shall not be transferable and shall expire on or before the 31st of March next following the date of the issue thereof and shall be returned on or before such date of expiration thereof to the office of the Superintendent with statutory declaration as to the kinds and quantities of timber cut thereunder. No such permit shall be issued to any person who has not made return of all such former permits issued to him.

10. No such permit shall be issued to any firm or corporation or to any member thereof, while there is outstanding such permit in the name of the firm or corporation or any member thereof.

11. The Superintendent may require each applicant for a permit to furnish satisfactory proof that such permit is applied for for his own exclusive use and benefit.

Timber Permits granted by Public Competition.

12. The Minister may by public competition dispose of the right to obtain annual permits to cut all the merchantable dead timber on areas not exceeding two square miles, the ground rent to be thirty dollars (\$30) per square mile per annum, payable in advance. Such rental is to be applied as dues on timber cut in so far as such dues do not exceed the rental.

13. Application for any parcel to be put up by public competition shall be received by the Superintendent of the park concerned, and forwarded to the Commissioner of Dominion Parks with the recommendation of the Superintendent. Such application shall be accompanied by a deposit of thirty dollars (\$30). In case no advertisement is made for tenders, or if advertisement is made and the depositor is not the successful applicant, his deposit will be returned. If advertisement is made and no tender is received, the deposit will be forfeited to His Majesty. If the depositor is the successful applicant, the deposit will be retained and applied to the dues, or in case he fails to take out a permit as required by these regulations, it will be forfeited to His Majesty.

14. In surveyed districts the description of the parcel shall state the section, township, and range, but in unsurveyed districts or where such description is impracticable the description shall be by metes and bounds tying the parcel of land either to a section-line or some prominent topographical feature, sufficient to enable the lands to be identified in Departmental records.

15. On receipt of such application by the said Commissioner, if approved, sealed tenders addressed to the Minister will be called for by advertisement in the public press.

16. More than one parcel may be granted to an individual or group of individuals but each parcel must be tendered for separately.

17. Each tender must be accompanied by an accepted cheque on a chartered bank in favour of the Minister for the amount of the bonus which the applicant is prepared to pay for the right to obtain a permit.

18. The successful applicant shall take out a permit within sixty days from the date of the grant of such right. He shall pay on the issue of such permit twenty-five (25) cents as office fee and the aforementioned ground rent. All dues in excess of the ground rent, or in case the permittee has made an application deposit, all dues, in excess of the combined sum of the ground rent and the application deposit, shall be paid on or before the date required for the return of the permit.

19. Each such permit shall expire on the 31st day of March next succeeding the date of the issue thereof and shall be returned to the Superintendent immediately after the expiration thereof with a statutory declaration as to the quantity and sorts of timber, if any, cut thereunder.

20. The Minister may, at his option, grant a renewal of such permit for three consecutive years, and may grant a further renewal for two additional consecutive years, provided that all fees, dues, rentals, and other charges in respect of such permit or any renewal thereof, and all dues thereon in arrears shall have been duly paid, and that the operations of the permittee shall have been satisfactory to the Superintendent.

21. In case any person to whom a parcel is awarded fails to take out a permit for such parcel within sixty days after the date of award; or in case a permittee fails to make renewal when the right to do so has been granted within sixty days after the expiration of the permit, the right to obtain such permit or such renewal as the case may be, and the deposit or bonus made in that connection may at the discretion of the Minister be forfeited to the Crown.

22. The right to obtain such permit on any parcel, or the permit itself, or any interest therein, shall not be assigned or transferred without the consent of the Minister, nor until any outstanding permit in the name of any of the parties concerned has been returned duly completed to the office of the Superintendent and all dues and other charges shall have been paid thereon. The fee for the registration of such assignment or transfer shall be two dollars (\$2) in advance.

23. One half the cost of patrolling and fighting fire to guard the timber covered by any such permit shall be defrayed by the permittee, the Crown defraying the other half. Such cost will be apportioned so that it will bear the same proportion to the total cost of fire-guarding the whole park as the area covered by such permit bears to the area of the whole park. Payment of such cost shall be made on or before the 31st day of March following the date of such apportionment.

Green Timber Permits.

24. The Minister may, by public competition or otherwise, dispose of the right to obtain a permit to cut green timber for thinning out dense growths, making roads or any other improvement in Dominion Parks. Every such permit shall state the quantity and sort of timber granted and the dues charged for each sort. No ground rent shall be charged but all dues shall be paid on issue of such permit and shall remain the property of the Crown whether the permittee operates or not. The permittee shall be entitled to only one renewal of such permit.
